To Whom It May Concern

Dear Sir

As Senior Contracts Manager for LX Engineering Ltd, and with a previous role as Contracts Manager for Balfour Kilpatrick , I have used ULMS on several occasions.

Each time, the response has been professional, timely and courteous. Their activities on site have included lift & shift operations as well as Contract Crane Hire and they can always be relied upon to help out when time is not always on our side.

Their services can be relied upon to be commercially competitive, and the Health & Safety aspect of their works is always second to none.

I would have no hesitation in using them again, or recommending them to another company.

Yours sincerely,

Adrian Woodhead
Senior Contracts Manager
LX Engineering
