Dear Sirs,

Universal Lifting and Moving Services

We have engaged the services of Ian Kavanagh and Universal Lifting and Moving Services on a number of our industrial contracts over the last 5 years.

We have found them to be a professional, customer focussed contractor with a high regard to safety and compliance with CDM in all aspects of work that they undertake for Star.

Two recent projects where ULMS performed particularly well were:-

1. 4 Whitehall Place, London – Refrigeration plant offloading, lifting and positioning
2. New Tesco Distribution Centre, Livingston – Refrigeration plant offloading, lifting and positioning

We would have no hesitation in recommending them for similar work in future.

Yours faithfully
For Star Refrigeration Ltd

John Horn
Senior Projects Manager
